REFLECTIONS by Gilda

March 2010

One fourth of 2010 has already gone—whew, that was fast. We had planned to have this newsletter out sooner, but that didn't happen. My sister Phyllis and I went to MA to visit Tamson, Keith, Carlie and the twins Luke and Lela in January. We stayed longer than planned when Tamson and the babies got sick, then we stayed even longer when the weather prevented us from flying home. In February my sister and I went to GA to visit Morgan, Bethany and Brielynd and baby-sit a few days. The first of March Morgan and Bethany had an emergency need for babysitters, so Dale and I went down to help out. In between our helping out with grandbabies, we had revivals and other things—but the babies were the most important things. By the time you get this we will be in Texas or on our way home. Our schedule doesn't look too busy, but it has been a busy, fast three months. (Actually, I am at Morgan's now, working on getting the newsletter in to the printer.)

Our Board of Directors meeting is in April. Due to the economic situation, the Board will determine if it would be best for me to go on Social Security. Dale started on Social Security this year, but neither of us is 66 so we are not eligible for full benefits. Please pray for us as we make some tough decisions.

I am going with Dale and the team to Honduras in May. I have been trying to learn to crochet in order to teach the village women and girls, but as of now I don't think they will learn much from me. Ha! I am thankful God has some ladies who are going with us who know how to crochet. I hope to be of use in other ways. God bless all of you. Probably won't put out another newsletter till Christmas.

Love till next time.....
